- Please provide your occupation.
- You must provide your date of birth. This allows us to verify your identity.

To make it a joint account:

Why we ask about other parties:

- In order to fulfill regulatory obligations, DCBank asks all new Clients if the account will be used by, or on behalf of, another party.

Open your account in 3 easy steps:

1. Complete and sign the Enrollment Form.
2. Write a cheque payable to yourself.

The cheque must be pre-printed with your full name, made payable to you, and drawn on a Canadian bank for the amount you wish to deposit.

If opening a joint account, you have the option to send a cheque drawn on your joint account, made payable to both names, with both signatures appearing on the cheque. OR, you can each send a personal cheque.

Remember, the cheque must have your full name pre-printed on the front, you must make the cheque payable to you and the cheque must be drawn on a Canadian bank.

This step allows us to confirm your identity.

3. Please mail the Form and cheque(s) to:

DCBank

Calgary, AB T2A 7W6

Once your cheque(s) has/have cleared, we will mail you an ATM card and provide you with a web I.D. and password. DCBank will use the banking information on the cheque to establish a link. The link allows you to electronically transfer funds from your chequing account to your DCBank ATM Account.

With your PIN and client Number, you have everything you need to access your account 24 hours a day, seven days a week.
